

Contract Check-Up!

Free, Fast, and Fascinating!

2003 Contractor Education Seminars and Trade Shows

Let CSLB do a preventative health check of your contract!

Send one copy of your blank contract and one copy of one of your completed contracts to CSLB prior to your attendance at the Contractors Education Seminar. CSLB will perform an examination of your contract. When you attend the seminar, you can meet with the CSLB to discuss your contract forms and possible prescriptions to remedy any contract ailments.

As staffing is limited for this service, be sure to send in your non-returnable copies well in advance of your selected seminar date. **Include a business card in case clarification is needed.** *Please note this is a cursory review and is not intended as legal advice or opinion.*

Send contracts to:
